

Summer Holiday Home Learning Water Voles and Red Squirrels

Over the summer holidays we would like you to support your child with their home learning project. When your child returns to Year 3 in September, their topic will be 'Predators'.

We would like you to work alongside them to design and create a 3D predator. You can be as creative as you like, using a range of different materials as well as coming up with a name for your predator.

We would like these to be returned to school on the first week back in September.

Thank you once again for your continued support.

Mr Smith and Mrs D (Year 3)
