Dear Parent/Carer

Next academic year we have provisionally booked to take Year 5 and Year 6 pupils on a residential adventure to Summit Centre in Bedlinog near Nelson (Rock UK). The centre's accommodation has recently undergone a £4m refurbishment with on-suite facilities in each room. We are excited as we will be one of the first schools to use the new dormitories.

The action packed programme will include six adventurous activities across three days, all led by qualified instructors. Specialist kit and equipment will be provided. Children will be able to challenge themselves and grow in confidence.

The trip will take place either the third or fourth week of September. The cost which will be subsidised by school will be approximately £150.00 which will include full board for four days and three nights. Rock UK offer a bursary fund which is available to all schools to apply for on behalf of pupils on free school meals. This will reduce the cost of the trip. Our current Year 4 and Year 5 pupils will also be fund raising during the summer term in order to reduce costs further.

We are giving you plenty of notice so that you are able to pay by instalments on a payment card either weekly or monthly.

If you are interested in your child taking part in this Adventure, please can you complete the slip below and return to me by 1st May 2018.

Yours sincerely

L Jones
Deputy Headteacher (Curriculum)
