20th March 2019

Dear Parent/Carer

We would like to gather information on what the activities your children take part in after school. We are aware that many of the children in our school achieve a lot out of school, and that we are not always aware of what they do. As a school we would like to celebrate these achievements and talents. I would be grateful if you could complete the questionnaire below and return to school to your child's class teacher.

What hobbies does your child have outside of school?

Is your child part of any clubs or teams? If so, can you please provide more details.

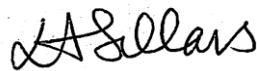

Has your child won any awards for any clubs or teams they represent?

What activities does your child like to do when not in school?

Are there any activities your child would like to take part in?. Please list.

Child: _____ Class: _____

Yours sincerely

C Evans
