Dear Parents/Carers

When children are entering school grounds they **must** walk their bikes and scooters through the car park and paths.

There have now been several incidents of pupils riding through the car park in front of cars.

If children do not adhere to this bikes and scooters will have to be banned from school site. All children must stick to school paths also as this is for their safety.

Please can you ensure all children are walking on school paths and not through the cars as this is extremely dangerous.

Yours sincerely

C Williams
Assistant Headteacher
