16th December 2019

Dear Parent/Carer

Next academic year we have provisionally booked to take Year 5 and Year 6 pupils on a residential adventure to Summit Centre in Bedlinog near Nelson (Rock UK). The centre's accommodation has recently undergone a £4m refurbishment with on-suite facilities in each room.

The action packed programme will include adventurous activities across four days, all led by qualified instructors. Specialist kit and equipment will be provided. Children will be able to challenge themselves and grow in confidence.

The trip will take place Tuesday 8th September 2020 - Friday 11th September 2020. The cost which will be subsidised by school will be approximately £200, which will include full board for four days and three nights. Rock UK offer a bursary fund which is available to all schools to apply for, on behalf of pupils on free school meals. This will reduce the cost of the trip.

We are giving you plenty of notice so that you are able to pay by instalments either weekly or monthly.

If you are interested in your child taking part in this fantastic opportunity, please can you complete the slip below and return to me, having paid your £50.00 deposit via our online payment system, by Monday 13th January 2020.

Yours sincerely

E Edmunds
