

Acceptable Use Policy for ICT and related technologies
for Foundation Phase Children in school - September 2019

This is how we stay safe when we use computers:

I will ask a teacher or another adult from the school if I want to use the computers.

I will only use activities that a teacher or another adult from the school has told or allowed me to use.

I will take care of the computer and other equipment.

I will ask for help from a teacher or another adult from the school if I am not sure what to do or if I think I have done something wrong.

I will tell a teacher or another adult from the school if I see something that upsets me on the screen.

I know that if I break the rules I might not be allowed to use a computer/tablet.
