

# VERY IMPORTANT – PLEASE READ

## Entrance/exits to school

Due to the staggered times, and the need for social distancing, we cannot allow children or parents access past the front of the school (past Badgers, Y2 and Hedgehogs). If you need to get to the other side of the building or path you will need to go down the path and then up through the carpark, and vice versa. These measures are in place for the safety of everyone.

Pupils will have a 10 minute window from their start time e.g. if their start time is 8.45 they must be at their entrance before 8.55. Unfortunately due to the staggered start times and pupils being unable to move through the building as usual, any latecomers will not be able to come through the office. Therefore, please ensure you arrive at your designated times. Pupils must also be taken to their assigned areas and are unable to enter via another entrance as they were allowed to previously.

Many thanks for your cooperation.
